Aviary Systems - Voletage OEKO

Welfare friendly multi tier laying systems

Layout

- Separate aviary and nest rows
- Multiple rows of aviary systems
- Multiple rows of nest systems
- Very flexible system by floor levels and width
- Optimized to create additional floor space
- Fits in every existing or new poultry house

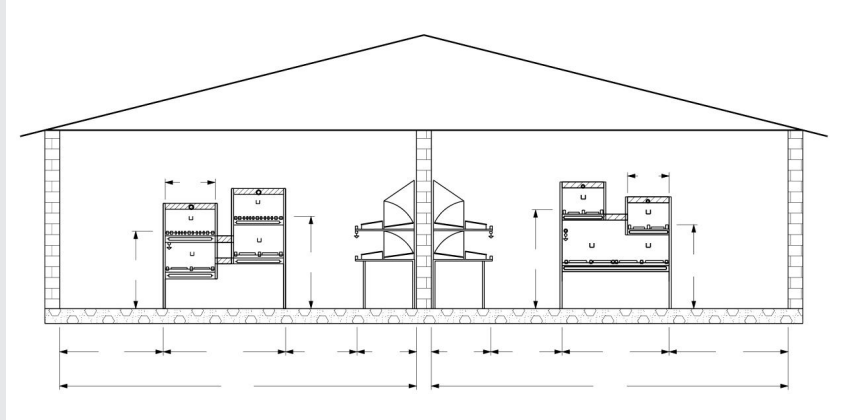

Operation

- Good overview of all floors and all levels
- Parallel checking of system and nests
- Slatted floors can be taken out for cleaning

Birds

- Birds move naturally inside the system
- No need for up and down movement outside the system

System

- Slatted floors from wire or hardwood
- Integrated perches in floors
- Chain feeding or pan feeding
- Water lines with nipples or cups
- Long life time posts from stainless steel
- Optional manure floor belt
- Optional manure drying

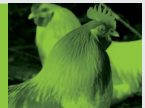

Compliance

- Designed within the EU guidelines
- 100% compliant with KAT

No of floors	System height
2	1,00m
3	1,30m
4	1,60m
5	1,90m
6	2,20m

Floor width	System width
0,70m	1,80m
0,84m	2,06m
1,00m	2,40m
1,20m	2,80m
